

## **Bill Yarrow**

### **Withhold, Withhold**

Withhold. Withhold.  
Never admit anything.

Don't say it's good.  
Say it's pretty good.

Don't say you like it.  
Say you almost like it.

Don't say you forgive her.  
Say one day you may forgive her.

Don't accept his apology.  
Acknowledge his attempt to apologize.

Don't say congratulations.  
Wish the best of luck.

Withhold. Withhold.  
Withhold.
